

Connekt Regular Frame 2M

Installation and User Manual

Description

Connekt Regular Frame 2M is a part of the **Connekt Regular Modular System 2M**. Other components listed in this manual are sold separately.

This **Frame** requires a compatible **Connekt Wallbox 2M** and the **Connekt Regular Cover 2M**.

This **Connekt Regular Frame 2M** is **NOT** compatible with the **ConnektSmart Diffuser 2M**.

This **Connekt Regular Frame 2M** is compatible with **Regular** modules from the **Connekt Modular System** series of products. It is also compatible with **Smart** hardware parts, however the software will not recognize regular modules.

Connekt Regular Frame 2M can house either:

- 1 x module of size **2M**
- 2 x modules of size **1M**.

NOTE: All components of the selected system should be fully assembled before use. Refer to the individual installation and user manuals for each component for more information.

NOTE: For additional instructions, resources and support visit the website at this link:
https://connektworld.com/2M_RegularFrame

Contents of the box

- 1 x Connekt Regular Frame 2M
- 2 x Screws 3.5x16mm H2
- 1 x User Manual

Technical Specification

- Personalized selection of **Regular** modules

Installation instructions

1. Attach selected modules to the **Connekt Regular Frame**. The user can select any compatible modules from **Connekt Regular** series of products according to personal requirements and preferences.

IMPORTANT: Make sure the power breaker / fuse is flipped and no hazardous voltages are present at the installation point before proceeding.

2. Place the connected assembly into the **Connekt Wallbox 2M** in the correct orientation. For **Wallbox** installation refer to the user manual of the **Wallbox**.

3. Attach the **Regular Frame** to the **Wallbox** with 2 screws as shown in the image below.

4. Attach the **Connekt Regular Cover 2M** to the **Connekt RegularFrame 2M**. Refer to the **Regular Cover** manual for more information.

NOTE: Make sure everything is attached correctly and there are no loose wires or other hazards before proceeding.

5. Flip the circuit breaker / fuse to turn on the AC power to the system.

Information about recycling

Disposal: After the implementation of the European Directives 2012/19/EU and 2006/66/EU in the national legal system, the following applies: Electrical and electronic devices, as well as batteries, must not be disposed of with household waste. Consumers are legally obliged to return electrical and electronic devices, as well as batteries, to public collection points or sales outlets at the end of their useful life. Details on this are defined by the national laws of the respective country. This symbol on the product, user manual, or packaging indicates that the product is subject to these regulations. By recycling, reusing materials, or using old devices/batteries in other ways, you are making an important contribution to protecting our environment.

Safety precautions

Every person intending to install and/or use must read and understand the User and Installation Instructions before any work with the device.

Awareness and understanding of the content of these instructions are essential to protect staff from any danger, prevent malfunctions and ensure safe and proper operation. You must pay attention to all icons, signs, and labels related to the device.

The parts of Connekt Modular System should not be installed, moved, disassembled, modified, or repaired by the end user.

All work described in these instructions may only be carried out by qualified, authorized personnel. Handling the device in the intended and proper way requires compliance with all instructions and information given in these User and Installation Instructions (especially safety-related instructions).

Safety Notes

- The device should be installed in accordance with regional regulations.
- In case the device becomes visibly damaged, immediately stop using it.
- The device is intended for indoor use only.
- Use the device only for its intended purpose.
- Use the device only with compatible parts as specified in this manual.
- Protect the device from dirt and moisture and use it only in a dry environment.
- Do not expose the device to impacts or excessive force.

Disclaimer and Warranty Waiver
