

Connekt Smart Touch Cover 2M

Installation and User Manual

Description

Connekt Smart Touch Cover 2M is a part of the **Connekt Smart Modular System 2M**. Other components are sold separately. This **Touch Cover** is compatible with **Connekt Smart Frame 2M** (sold separately).

Connekt Smart Touch Cover 2M provides Touch Button functionality to the **Connekt Smart System 2M** as well as an aesthetic finish and protection of internal components of the system.

NOTE: **Connekt Smart Touch Cover 2M** is not compatible with the Connekt **Regular** System!

NOTE: All components of the selected system should be fully assembled before use. Refer to the individual installation and user manuals for each component for more information.

NOTE: For additional instructions, resources and support visit the website at this link:

Color	Traffic white
Style	Curved
Dimensions	96 mm x 96 mm x 11 mm
Operating temperature range	0 – 40 °C
Operating relative humidity range	20 – 60 RH %
Ingress protection rating	IP21

Contents of the box

1 x **Connekt Smart Touch Cover 2M**

1 x User Manual

Additional components required

- **Connekt Wallbox 2M** for your wall type
- **Connekt Smart Frame 2M**
- **Connekt Smart Diffuser 2M** (OPTIONAL)
- Personalized selection of **Smart** or **Regular** modules

Installation instructions

1. Before the following steps, ensure the orientation of the **Connekt Smart Touch Cover 2M** matches the orientation of the **Connekt Smart Frame 2M**. The connector on the **Touch Cover** should match the position of the connector on the **Frame**, both facing upwards.

NOTE: Before proceeding, read the frame installation instructions and confirm that **Frame** is correctly mounted into the **Wallbox** with all the modules properly connected.

2. Attach this **Connekt Smart Touch Cover 2M** to the **Connekt Smart Frame 2M** sliding it onto the front side of the frame as shown in the image above.

3. Make sure the four dedicated locking tabs snap correctly into place to ensure proper attachment and operation.

Safety precautions

Every person intending to install and/or use must read and understand the User and Installation Instructions before any work with the device.

Awareness and understanding of the content of these instructions are essential to protect staff from any danger, prevent malfunctions and ensure safe and proper operation.

You must pay attention to all icons, signs, and labels related to the device.

The parts of **Connekt Smart Modular System** should not be installed, moved, disassembled, modified, or repaired by the end user.

All work described in these instructions may only be carried out by qualified, authorized personnel. Handling the device in the intended and proper way requires compliance with all instructions and information given in these User and Installation Instructions (especially safety-related instructions).

Safety Notes

- The device should be installed in accordance with regional regulations.
- Do not attempt to open, service, or repair the device yourself. Leave all service work to qualified and authorized professionals.
- Take care not to touch or otherwise damage exposed electronic components and connectors during the installation process to avoid causing malfunctions of the device.
- In case the device becomes visibly damaged, immediately stop using it.
- The device is intended for indoor use only.
- Use the device only for its intended purpose.
- Use the device only with compatible parts as specified in this manual.
- Protect the device from dirt and moisture and use it only in a dry environment.
- Do not expose the device to impacts or excessive force.

Disclaimer and Warranty Waiver

Neither Gelco Electronics Pvt. Ltd. nor Elproms Team j.d.o.o. assume any liability for damages resulting from incorrect installation or assembly, improper use of the product, or failure to comply with the instructions for use and/or safety notes.

Information about recycling

Disposal: After the implementation of the European Directives 2012/19/EU and 2006/66/EU in the national legal system, the following applies: Electrical and electronic devices, as well as batteries, must not be disposed of with household waste. Consumers are legally obliged to return electrical and electronic devices, as well as batteries, to public collection points or sales outlets at the end of their useful life. Details on this are defined by the national laws of the respective country. This symbol on the product, user manual, or packaging indicates that the product is subject to these regulations. By recycling, reusing materials, or using old devices/batteries in other ways, you are making an important contribution to protecting our environment.
